We hope you seize the chance to share Chinese culture with children of other ethnics. Your participation will bring a memorable Chinese New Year to your children.

6) *Retrospections of 2018*

This year MLCC administered the language skills assessment developed by ACTEL to our 8th grade students. The results show that students performed best in listening, then reading, and needed improvement in Writing and Speaking. While we will continue to work hard at Chinese school, parents can help at home by talking to their students in Chinese about different topics to increase their exposure to the language.

To further improve the reading skills of our students, we have since put together a supplementary reading program for middle and upper grade classes. All fourth grade students have received one-year free subscription to an online reader. It is our hope to boost student interest in reading in Chinese and help students develop the confidence and skills they need to read independently. Thanks to Ms. Chenhui Wu for all her coordination.

For professional development, we invited Mr. Huicheng Chang from Taiwan to host a two-day workshop on Learning Thinking and Expressing. A total of 45 MLCC and Bay Area teachers attended the workshop. Two members from our curriculum design team, Ms. Chihmei Chen and Ms. Wenping Chen have been invited to give workshops by ANCCS.

This year MLCC offered Chinese after school program at seven private school sites, serving a total of 135 students. We also participated the Chinese New Year event hosted by Milpitas City Hall. Many Children experienced the calligraphy and paper making of firecrackers. Thanks to Ms. Mimi Chang for the planning and the preparation for the activities.

7) *Year End Donations*

MLCC is a non-profit organization and your donation is tax deductible. We have received in a total of \$1013.46 in donation this year. Please continue your support utilizing the match program in your company and we thank you for your support!

8) *Acknowledgement*

Thanks to Acculive for continuing to provide virtual classrooms valued at \$8500 for our mid-week CFL and AP online session; thanks to our teachers, office staff and curriculum team for their dedication and hard work; thanks to board members for providing valuable input; thanks to parent volunteers for helping with school events and administrative work. Thanks to all the TAs in our CFL classes.

Your support is the best encouragement to MLCC.

Wish you all a peaceful and happy holiday!
